## **"The Children of Pornhub" File 600 Million Dollar Class Action Lawsuit Against Mindgeek**

Press Release Fri, 8 Jan 2021

A 600 million dollar class action lawsuit against Pornhub and its parent company Mindgeek was filed in Canada and first reported today in Montreal. The representative of the class is a victim who had a video of her rape as a 12 yr old girl on the site. Her request to remove the video from the site was ignored.

The court documents can be found here.
